WELCOME TO

Cambridge Education Consultants *Your trusted partner in turning education dreams into reality. With a commitment to excellence and personalized guidance, we help students navigate the exciting journey of studying abroad. From choosing the right course and university to securing visas and preparing for life overseas, our experienced team is here to support every step of the way. Let us empower your future through world-class education opportunities across the globe.*

ABOUT US

Cambridge education started its journey in 1996 with establishing first IT institute in the valley, in collaboration with Informatics holdings Ltd, a Singapore based company. We provided exclusive IT programs (Degrees and diplomas) to nearly 2000 students over a span of 15 years. Further we associated with another Singapore based pre-school chain (Cambridge child care and development centre and Cambridge international school). We were the first in providing preschool education and are still providing the same up to secondary level.

Your Gateway to a Global Medical Career

OUR MISSION

Now with the same vision and thought process Cambridge education has collaborated with educational institutions and partners in foreign countries to build a platform to provide world class education to our children. We began with exploring undergraduate and postgraduate opportunities in the countries like USA, UK, Australia, New Zealand, Canada, Germany and Europe. With our personalized, step-by-step approach—from career counseling and university selection to visa processing and accommodation support—we ensure a smooth, transparent, and successful transition to your chosen destination. Cambridge has direct tie ups and collaborations with more 1100+ universities in these countries.

At Cambridge Education Consultants, we specialize in guiding aspiring doctors toward top-quality, affordable MBBS programs in Tajikistan, Bangladesh, Kazakhstan, Uzbekistan, Georgia and Russia. With a strong focus (NMC guidelines) on recognized universities, English-medium instruction, and streamlined admission support, we make your dream of becoming a doctor achievable and stress-free. From application to arrival on the destination, our expert team ensures a smooth journey so you can focus on what matters most—your future in medicine.

MBBS IN TAJIKISTAN

One of the Safest Country by **INDIAN ACADEMICIANS**

*Budget-friendly option for Indian students, primarily due to its low tuition fees and **NMC (National Medical Commission)** recognition. The course typically lasts **6 years**, consisting of 5 years of academic study and a 1-year mandatory internship.*

Key Highlights:

- **Affordability:** Tuition fees generally range between **₹3 Lakh to ₹4 Lakh per year** (\$3,500 – \$4,800 USD).
- **Medium of Instruction:** The entire course is taught in **English**, making it accessible for Indian students.
- **Recognition:** Most major medical universities are recognized by **WHO, NMC (MCI), FAIMER, and ECFMG**, allowing graduates to sit for licensing exams like **NExT/FMGE** in India or **USMLE** in the USA.
- **Simple Admission:** There are no additional entrance exams like **IELTS** or **TOEFL**; however, **NEET qualification is mandatory** for Indian students.

Student Life & Costs

- **Cost of Living:** Monthly expenses (including food and transport) are relatively low, ranging from \$100 to \$200 (approx. ₹9,000 – ₹18,000).
- **Accommodation:** Most universities offer on-campus hostels with Indian mess facilities serving familiar meals.
- **Environment:** Tajikistan is generally considered safe and welcoming for international students, with a climate similar to North India.
